**29 September 2015**  
**TO WHOM IT MAY CONCERN**
**TESTIMONIAL IN RESPECT OF ODIRILE MHLARI I.D. No: 9211025338082**

The bearer Odarile Mhlari is a bona fide student at Rosebank College Pretoria Sunnyside at present. He is currently studying towards his Diploma in Information Technology in Network Management. He is currently in his third and final year of studies.

**Academic Performance**

Odirile Mhlari is an above average student who excelled in Network Infrastructure Administration, Network Domain Administration and Network Design. He has a great desire to work independently and he does a lot to motivate his peers to do well. Rosebank College has no record of Odirile Mhlari being called for any hearing for non-compliance.

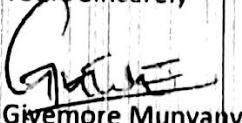

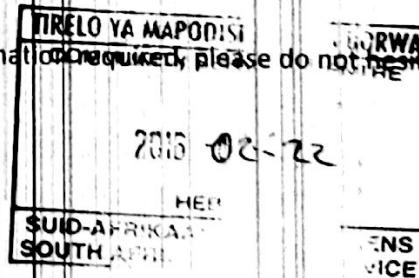

**Discipline**

Odirile Mhlari has an outstanding track record at Rosebank College. He does a lot of voluntary work to help shape the behavior of other students.

**Overall Comment**

I highly recommend Odirile Mhlari for any learnership /internship programme that may come his way.

Should there be any additional information required, please do not hesitate to contact the undersigned.

**Yours Sincerely**

**Give more Munyanyi**

Department of Arts and Culture

Dear Sir/Madam

This is to confirm that the following students from Rosebank College have approached the National Library of South Africa(NLSA) to assist them complete their Work Integrated Learning(WIL)

The students will be exposed to all functions in the ICT department and we will ensure that we expose them to all the technologies involved in ensuring that the business of the NLSA continues on a daily basis

The following students below will take part in this programme

- |   |                    |          |
|---|--------------------|----------|
| 1 | Tihame Aphane      | 13004319 |
| 2 | Odirile Mhlari     | 12008102 |
| 3 | Katleho Mohotloane | 13002273 |
| 4 | Kagiso Mapulane    | 13003103 |

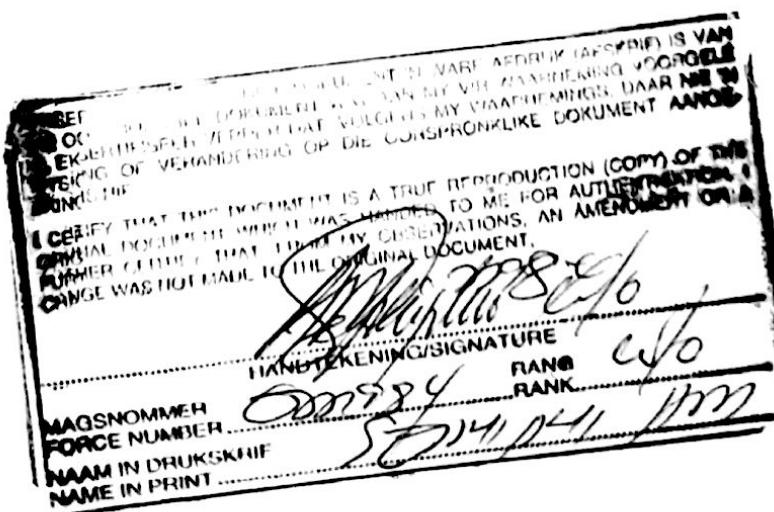

I hope this letter servers its purpose

Kind Regards

Mr SD Segalabutla  
Software and Applications Coordinator

## Graduation Pack Report

HCSS1

MODULE CODE	MODULE NAME	MODULE NOQF LEVEL	CREDITS	MODULE PURPOSE
BUCAF110	Business Calculations	5	10	The purpose of this module is to provide students with the foundational and practical knowledge of mathematical principles, concepts and methods needed by students to perform calculations for various business modules.
BUCAx110	Business Calculations	5	10	The purpose of this module is to provide students with the foundational and practical knowledge of mathematical principles, concepts and methods needed by students to perform calculations for various business modules.
BUCOI020	Business Communication C	5	10	The purpose of this module is to provide students with the theoretical background of communication and a range of skills needed to communicate effectively within the workplace. Students are provided with the essential skills needed to write an essay and business orientated documents.
BUPEI111	Business Practice Entrepreneurship	5	5	This module will provide the student with knowledge and understanding of entrepreneurship and enable the student to perform feasibility analysis which is required to start a business. This module will also provide the student with the skills needed to write a business plan.
COARf120	Computer Architecture	5	20	The purpose of this module is to provide students with the foundational and practical knowledge of the hardware aspects of a computer, installing and configuring operating systems for stand-alone computers, the troubleshooting involved and the security measures used.
COARx120	Computer Architecture	5	20	The purpose of this module is to provide students with the foundational and practical knowledge of the hardware aspects of a computer, installing and configuring operating systems for stand-alone computers, the troubleshooting involved and the security measures used.
ENUC030	End User Computing C	5	8	The purpose of this module is to equip students with the skills needed to use the advanced features of specific word processing, spreadsheets and presentation application software to deliver documents, spreadsheets and presentation application software to deliver documents, spreadsheets and presentations that meet the needs of a specific audience. This module will also equip students with necessary skills to manage the word processing, spreadsheet and presentation application software environments.
ENUCf010	End User Computing A	5	20	The purpose of this module is to provide students with a basic knowledge of personal computers and how they operate. The purpose of this module is also to provide students with the knowledge to gather, process, present, distribute and manage information using the basic and intermediate features of applicable software.
ENUCf020	End User Computing B	5	12	The purpose of this module is to provide students with the opportunity to apply knowledge of database application software to planning, designing and creating a database according to a set of predetermined requirements.
ENUCx010	End User Computing	5	20	The purpose of this module is to provide students with a basic knowledge of personal computers and how they operate. The purpose of this module is also to provide students with the knowledge to gather, process, present, distribute and manage information using the basic and intermediate features of applicable software.
ENUCx020	End User Computing B	5	12	The purpose of this module is to provide students with the opportunity to apply knowledge of database application software to planning, designing and creating a database according to a set of predetermined requirements.
HELP010	Help Desk	5	10	The purpose of this module is to provide students with a basic knowledge of personal computers and how they operate. The purpose of this module is also to provide students with the knowledge to gather, process, present, distribute and manage information using the basic and intermediate features of applicable software.
NWAR6112	Network Architecture A	6	12	The purpose of this module is to develop students' understanding of the basic theoretical concepts of network architecture which include topologies, protocols and network standards and models. Students gain practical experience in configuration and troubleshooting local area networks.
WEDE5010	Web Development (Introduction)	5	12	<b>COPY OF THIS</b> I CERTIFY THAT THE DOCUMENT IS A TRUE COPY OF THE DOCUMENT PROVIDED TO ME FOR AUTHENTICATION. AN AMENDMENT WAS MADE TO THE ORIGINAL DOCUMENT. THIS COPY IS A COPY OF THE ORIGINAL DOCUMENT.
WRP010	Work Readiness Programme Workshop	1	1	The purpose of WRP Workshop 1 is for students to: - Consider how the things they know about themselves can be used to make good ongoing life and career decisions - Consider what kind of career best suits the kind of person they are - Learn how to turn a job into a career
